MOCA Awarded USACE Huntington Cost Engineering Contract

Newton, MA – MOCA has been awarded a \$5 million, 5 year indefinite delivery indefinite quantity contract (IDIQ) contract with the US Army Corps of Engineers Huntington District for cost engineering services.

This contract will be used primarily to support military, civil works and environmental programs including Department of Energy (DoE) programs. The Huntington District is responsible for management construction programs in Ohio, Kentucky, West Virginia and Virginia, and DoE sites across the nation. Services are expected to include cost estimating, earned value management, scheduling and risk management.

About MOCA Systems

MOCA Systems, Inc. is an innovative professional service firm delivering capital program and asset management solutions to clients across the globe. MOCA offers a range of services throughout the program lifecycle including a proven project control capability based on advanced construction simulation technology. Established in 1999, MOCA is a nationally recognized firm that has supported the delivery and management of over \$30 billion in facility and infrastructure systems with offices in Massachusetts, Virginia, Texas and Hawaii.
