**MOCA Hires John Chubb, P.E., PMP as Mid-Atlantic Regional Manager**

*Newton, MA* – It is with great pleasure that the firm has hired John Chubb, P.E., PMP as Mid-Atlantic Regional Manager. John will lead our program lifecycle management services to clients throughout the Mid-Atlantic region.

John is an innovative construction management executive with 36 years of experience managing programs for federal government agencies with the U.S. Army Corps of Engineers (USACE). Prior to joining MOCA, John was the Chief of Construction with the USACE Baltimore District, responsible for managing \$2 billion annually in construction contracts with 425 engineers and construction management professionals throughout the Mid-Atlantic. He developed new contract acquisition strategies and devised and executed plans for award of over \$2 billion in new work to the USACE.

John is a registered professional engineer and project management professional (PMP). He has been awarded numerous distinctions, including the Meritorious Service Medal in 1983 and 2004, and the Superior Civilian Service Award in 2005. He has a master's degree in systems management from the University of Southern California and a bachelor's degree in civil engineering from the United States Military Academy, West Point.

"John is a gifted CM executive experienced with developing innovative contract acquisition strategies and using new technology with federal government agencies. It is true pleasure to have John join our team and help lead our programs," says Kevin Bernier, MOCA's President & CEO.

John can be reached at our Alexandria Office:
