

MOCA & VMS Awarded Value Engineering Contract with U.S. Army Corps of Engineers, Kansas City District

Newton, MA (December 29, 2010) – MOCA Systems, Inc. (MOCA) is pleased to announce the award of an Indefinite Delivery/Indefinite Quantity (IDIQ) contract in support of Value Management Strategies (VMS) for the U.S. Army Corps of Engineers' (USACE) Kansas City District.

This \$5 million, 5-year IDIQ contract was awarded for value engineering, value management, and cost estimating services which will begin January 2011. The IDIQ contract will be used primarily to support military, environmental restoration, and civil works projects within the boundaries of the USACE Kansas City District, which includes Northern Kansas, Western Missouri, and parts of Nebraska, Colorado, and Iowa.
