MOCA Selected for USACE Baltimore \$12 million Cost Engineering Contract

Newton, MA – The Real Property Services Field Office (RSFO) of the US Army Corps of Engineers Baltimore District has selected MOCA for a \$12 million, 5 year indefinite delivery indefinite quantity contract (IDIQ) for cost engineering services.

The contract will be used to support various military, intelligence community and other government projects executed by the Baltimore RSFO across the continental states of the United States. Program lifecycle management services are expected to include cost estimating, earned value management, scheduling and risk management.
