MOCA selected for an Additional C4ISR Move Logistics Contract with CACI

Newton, MA – MOCA has been selected with CACI International to provide additional move logistic support on the Command, Control, Communications, Computers, Intelligence, Surveillance and Reconnaissance (C4ISR) program at Aberdeen Proving Ground in Maryland.

MOCA is a subcontractor teaming partner of CACI International Inc. on the U.S. General Services Administration's Logistics Worldwide (LOGWORLD) contract for the U.S. Army.

In 2009, MOCA and CACI International were awarded the first phase of the C4ISR move through a Technical Engineering Support Services (TESS) IDIQ contract for the U.S. Army's Communications-Electronics Research, Development and Engineering Center (CERDEC) Intelligence and Information Warfare Directorate (I2WD).

The additional move logistics support services on the GSA LOGWORLD contract will realign organizations currently located at Ft. Monmouth, NJ, Ft Belvoir, VA, Eatontown, NJ, Huntsville, AL, and Fort Knox, KY. MOCA will provide the scheduling services on the contract.

About MOCA Systems

MOCA Systems, Inc. is an innovative professional service firm delivering capital program and asset management solutions to clients across the globe. MOCA offers a range of services throughout the program lifecycle including a proven project control capability based on advanced construction simulation technology. Established in 1999, MOCA is a nationally recognized firm that has supported the delivery and management of over \$30 billion in facility and infrastructure systems with offices in Massachusetts, Virginia, Texas, Utah and Hawaii.
