MOCA Awarded \$90M Contract with HDR to Modernize Air Force Health Care Facilities Nationwide

NEWTON, Mass. – Oct. 30, 2011 – MOCA Systems Inc. (MOCA) was recently awarded an AE Service contract to modernize the Air Force’s healthcare facilities by the U.S. Army Corps of Engineers Little Rock District valued at \$90 million. As a subcontractor to HDR, MOCA will provide project and construction management (PM/CM) services, cost engineering and project controls, and energy management and planning.

The overall contract is a part of the Healthcare Facilities Modernization Program for the U.S. Air Force Medical Services (AFMS), which will expand and repair existing healthcare facilities and design new installations for the Air Force and other entities that have healthcare facility needs.
