MOCA Awarded Construction Phase Service Contract with Dos Logistics for the U.S. Army Corps of Engineers

NEWTON, Mass. – Jan. 24, 2011 – MOCA Systems, Inc. (MOCA) is pleased to announce the award of an Indefinite Delivery/Indefinite Quantity (IDIQ) contract in support of Dos Logistics for the U.S. Army Corps of Engineers (USACE), Fort Worth District.

The \$20 million, 5-year IDIQ contract was awarded for construction phase services. It will be used to support military, environmental restoration, and civil works projects primarily within the boundaries of the USACE Southwestern Division (SWD), which includes Texas, Louisiana, Arkansas, New Mexico, and Oklahoma.

Dos Logistics is a minority business headquartered in Texas which offers a range of program and construction management services. As a subcontractor to Dos Logistics, MOCA will be responsible for construction phase services as needed.
