## **MOCA Awarded Contract by U.S. Army Corps of Engineers for AE Services throughout New England**

**NEWTON, Mass. – Sept. 30, 2011**– MOCA Systems, Inc. (MOCA) was selected by the U.S. Army Corps of Engineers (USACE) to provide engineering and design services in the New England District under an Indefinite Delivery/Indefinite Quality (IDIQ) contract with Minuteman Design Ventures.

The overall contract includes various design and construction services to design new and renovate existing structures; military building design; general site engineering, planning and design projects, including the development of water resources; sustainable design, environmental engineering; and value engineering services.

MOCA will perform project and construction management (PM/CM) services to ensure the projects are performed efficiently, cost-effectively, and in a timely manner. MOCA will assist the Corps to streamline its planning and processes and allow Minuteman Design Ventures to progress smoothly with its own phases of the contract.
