MOCA Recommended for Award of \$50 Million Nationwide Cost Engineering Contract for All Federal Agencies

NEWTON, Mass. – Aug. 4, 2011 – MOCA Systems, Inc. (MOCA) has been selected for award by the U.S. Army Corps of Engineers, Walla Walla District for a \$50 million unrestricted (large business) nationwide A-E IDIQ for cost engineering services to all federal agencies.

The U.S. Army Corps of Engineers, Walla Walla District is a Center of Expertise for Cost Engineering Services used by all federal government agencies throughout the program lifecycle. Pre-construction and on-site construction management services include planning, program management, cost estimating, scheduling, risk management, change order management, claims analysis, forensics and stakeholder coordination.

The MOCA Team includes PRC, Atkins, AECOM and L-3 Stratis as key subcontractor teaming partners.
