Sandy Hamby, VP at MOCA, Appointed to CMAA Board of Directors

NEWTON, Mass. – July 12, 2011 – MOCA Systems, Inc. (MOCA) is proud to announce that Sandy Hamby, Vice President, has been appointed to the Construction Management Association of America (CMAA) Board of Directors.

Sandy Hamby joined MOCA in 2010 and has extensive experience using innovative technology in the delivery of PM/CM services to government and commercial owners. She is guiding the nationwide development of MOCA's PM/CM services and PMIS technology.

"This is quite an honor and greatly deserved, given her leadership efforts with CMAA," said Kevin Bernier, MOCA's president and CEO.

Prior to joining MOCA, Sandy was a principal with Jacobs Engineering, a vice president with Parsons and 3D/I, as well as an architect and project manager with the U.S. Air Force. Since 2007, Sandy has been the Chapter President of South Central Texas Regional Chapter of the CMAA. She has a bachelor's degree in architecture from the University of Oklahoma.
