### **MOCA Opens New Sustainable Headquarters with David Wong as Northeast Regional Manager**

*Newton, MA* – MOCA Systems is committed to the sustainable development of facilities and infrastructure projects. As part of this commitment, MOCA recently managed the design and construction of its own new sustainable headquarters including the pursuit of LEED certification for commercial interiors (LEED CI). As the construction manager, MOCA hired Boston-based Margulies Perruzzi Architects as the design architect, B.W. Kennedy and Co. as the general contractor, and Strategic Workspaces for interior design and furniture. It is a pleasure to announce the opening of our new sustainable headquarters in Newton, MA.

It is also with great pleasure to announce that the firm has selected David Wong, P.E., PMP, CCE to manage the new Newton Office and the entire Northeast Region. David will be overseeing MOCA's Northeast Region, leading existing team members and continuing the office's growth into new markets.

For the past few years, David led the successful opening of the firm's Honolulu Office in support of clients throughout the Pacific Region. David has over 12 years experience in program and construction management including 8 years with the US Air Force Civil Engineering. David graduated from Northeast University with a degree in Civil Engineering. He is a licensed engineer in New Hampshire and Hawaii, a project management professional (PMP) and a certified cost engineer (CCE).

"We are extremely pleased to have David back in Boston and managing our Northeastern Region," says Michael Carr, EVP, CCE, Senior Vice President. "He is a proven leader who knows how to achieve results for our clients."

David Wong, P.E., PMP, CCE can be reached at our new HQ office:
