**MOCA Systems promotes Mark McFadden to VP and Mark Ireland to Richmond Regional Manager**

*Watertown, MA* – MOCA Systems is pleased to announce that the firm has promoted Mark McFadden, CPT to Vice President of Client Services from his prior role as the Richmond Regional Manager.

Over the past year, Mark has consistently achieved results and greatly expanded our presence in the Richmond Region. Mark joined MOCA with over 20 years experience in the construction industry including his recent employment with the US Army Corps of Engineers, Transatlantic Command. He also enjoyed a diverse career with leadership positions at commercial power companies such as AEP and Alstom Power. Mark has managed over \$10 billion in construction projects across the world. Mark graduated from Glenville State College with a degree in business administration.

It is with great pleasure that the firm has announced the promotion of Mark Ireland, PMP to Richmond Regional Manager from Senior Project Manager to replace Mark McFadden.

Mark joined MOCA with over 20 years experience in construction management. He worked as a construction manager for Qimonda where he managed a department of 25 project managers, project control analysts and superintendents who performed over \$1B in facilities capital projects. Mark graduated from Wentworth Institute of Technology with a degree in Construction Management. He is a project management professional (PMP) and experienced with the use of six sigma process improvement methodology.
